Purple shading indicates a Purple Heart recipient

An entry in the **Marker** column means that a marker survives as of 2015 and indicates the location on the map. A "Cn" means the person is buried in St. Joseph's Catholic Cemetery, otherwise the burial is in the Protestant Cemetery. A letter with no number in this column designates a "cenotaph" erected in memory of someone whose body was buried elsewhere, or whose ashes were scattered elsewhere. These are in the Protestant Cemetery.
